### Optional Coverages

**Motor Vehicle Insurance (MVI) is mandatory and included in the rate** (taxable)

**New Zealand Excess Reduction (ER) is optional** (taxable)

Renter will be liable for an amount ranging from NZD 3000.00 to NZD 3750.00, depending on the car group rented, if Excess Reduction (ER) is not purchased. Purchase of ER reduces the renter's liability to NZD 300.00 for all car groups.

**Theft Protection (TP) is included with MVI**

Global insurance coverages are always subject to change. Please verify at time of rental.

**Note:** If you require additional insurance coverage you may purchase locally to reduce/remove the insurance excess. Just ask at the Avis rental desk when you collect your car.

### Multi Island Hires

Customers wishing to travel between the North and South Islands are not permitted to take Avis rental vehicles on the Inter islander Ferry across Cook Strait. To allow for this type of inter-island travel Avis has introduced a special rental system called a Multi-Island Hire which creates one continuous rental. If you require a Multi-Island Hire, the following rental conditions apply:

- A minimum rental of 3 days is required on each island, with a minimum total of 6 days. If this requirement is not met the rental will be charged as two separate hires.
- If you are traveling more than once between the two islands, the third (and subsequent) rental period has no minimum length of rental requirement.
- The rental can start and finish at any Avis location in New Zealand (subject to vehicle availability).
- You can cross between the two islands using the Picton Ferry Terminal and the Wellington Ferry Terminal, or you can fly into cities where Budget is located. Note: this policy only applies if you are traveling to the other island, not to a location within the same island.
- A maximum of 5 hours is allowed between the drop off of the vehicle in one island and the pick up of the next vehicle.
- A minimum of 48 hours notice is required of the customers intention to cross between the islands if a crossover booking has not been previously made. If notice is not given, we cannot guarantee a vehicle will be available on the other side.

It is important to note that **no Avis vehicle is allowed to cross Cook Strait** between the North and South Islands. Any customer taking a vehicle across on the Inter-islander ferry will not be covered by insurance for any damage occurred to the vehicle. If they collect a car in one island and leave the vehicle in the other island location without Avis authorization, they will face an automatic relocation fee of NZD 450.00 (incl. GST).

Rental Exceptions:

For the Toyota Previa van (group V), the minimum rental requirement is 5 days in each island (ie. a minimum total rental of 10 days across both islands).
