Milford Sound is a small, remote location situated approximately 120km from the township of Te Anau in Fiordland National Park. Before travelling to Milford Sound please see below for some handy suggestions:

Check in time is between 2pm and 8pm. Please contact us in advance if you will be arriving any later.

There is no service station in Milford Sound so please ensure you fill up with petrol in Te Anau and service your vehicle for oil and water before heading along Highway 94.

We have a small shop attached to our Lodge for your essential needs. However, there is no super market.

Double and twin rooms are made up with bedding and towels. Dormitories have a fresh sheet and pillow and you may wish to use your own sleeping bags or bedding, however, if you prefer we can hire linen at a cost of \$2.00. We also hire towels for \$1.

Due to our remote location we do not, currently, have the facilities in Milford for recycling. We do, however, encourage our staff and guests to take their recyclables with them to the Recycling Station in Te Anau (see our Reception on arrival for more information).

We look forward to seeing you.

Regards
